(1) These dimensions are indicative, they are depending of motor manufacturers.

General motors dimensions page 0.9

() Under requirement

Unless specified differently by the customer, motor reducers supplied, use B-5 flange mounting motors and normal position terminal board box (page 0.9).

Approximate weights are shown in the tables.

We reserve the rights to modify any dimensions, without changing the type number of reducers.

Diskets for CAD systems are also available, providing to scale, drawings of reducers and accessoires.
